*Ref. : Your letter no.PRDC/2001-02/GRIDCO, Dt.26/11/2001.*

Dear Sirs,

This is to certify that West Bengal State Electricity Board is using MiPower Software supplied by M/s Power Research & Development Consultants (PRDC) Pvt. Ltd., Bangalore for Power System Studies since one year. The studies have been conducted for different conditions of projected load growth with several alternatives of generation options. We are also availing the Annual Software Support Contract (ASSC) services of M/s PRDC to train our engineers on MiPower and Power System Studies.

The MiPower Software is found to be user friendly and very useful for Power System analysis & planning. M/s PRDC is very prompt in incorporating changes/additions in the software as and when suggested by us.

Yours faithfully,

  
(J.K. Saha)  
Chief Engineer
